

## Teacher Training course French as a Foreign Language

### Broaden your skills and boost your teaching methods!

This course allows you to refresh your knowledge of contemporary France and the constantly changing French language.

Develop your teaching skills and focus on class dynamics while deepening your knowledge of French culture and civilization.

The course is designed to equip participants with the ideas and materials which they can use in their own classrooms. It follows a pattern of several workshops where trainee and practicing teachers will have to participate in oral and written activities.

### PUBLIC PROFILE

This course is designed primarily for non-native French teachers but it is also open to French as a foreign language students interested in the programme.
